

**Decalogue
Of the Republican Platform member**

**Only those who believe in themselves and Ukraine,
who is ready for the daily work and self-sacrifice – can
create the present and the future of native land.**

We are certain that victory consists in the unity of the power of each of us

The member of Republican Platform:

1. Builds a society of free and wealthy citizens, responsible for their destiny and the fate of their children.
2. Ready to defend the family, the native land, their honor and dignity.
3. Recognizes that power is not a goal in itself and not a way of becoming richer, but a tool for creating and upholding fair and honest rules of social life.
4. Organizes an effective government, which is open for control and community influence. This government will liquidate corruption and get its act together in the state.
5. Follows the principles: do not steal, do not take bribes, and do not abuse the office.
6. Understands that only an ideologically united, organized, disciplined, and financially independent force can achieve victory.
7. Openly discusses all the proposed decisions, justify his/her position, and obligatory implements the decision after making it.
8. Engaged in the Party activities: follows the basic outlook and principles, pays membership fees, and works in the service of a Party.
9. Fulfills himself/herself through the Party and bears full personal responsibility for adhering to its ideological and political principles in power.
10. Convinced that Ukraine and the public good are above all!
